

SWIMMING LESSONS

MURRAYFIELD PRIMARY

Summer 2026 Swimming Form

Monday Classes 20th April to 29th June

Wednesday Classes 22nd April to 1st July

No classes: Half Term: 25th - 29th May

If you already swim with us please ensure your child is booked in for swimming before 15th March at the latest for your guaranteed space.

Swimming classes

Our swimming programme is for children in full time education who are able to follow instructions in a small group, and aims to establish healthy and safe behaviour in a happy environment. Children are taught water safety, development of water confidence and swimming ability by following structured and progressive activities in all levels. Classes work with an emphasis on water skills and safety and to gain increasingly more difficulty stage awards.

Beginners For non-swimmers or those in armbands. Focus is on water confidence, safety and progression out of armbands to swim 5 metres on front and back unaided.

Early Swimmers For children who can swim without aids. Introduction to the 4 strokes aiming to swim up to 25 metres unaided. Introduction of submerging and push and glides.

Improvers To help children improve strokes and to swim the 2 main strokes up to 50m unaided effectively with correct breathing techniques. Water safety, rotational skills and correct breathing techniques and personal survival introduced.

Location

We swim at Murrayfield Primary School, Nacton Road Ipswich, IP3 9LJ
