

HOLBROOK SWIM

SPRING TERM 2021

Covid-19 restrictions - Please be advised of the following:

Classes will be restricted to small numbers.

Beginners classes are cut back, places first come first served. Beginners may be required to bring their own arm bands.

There will be restricted pool helpers from RHS this term and instructors will have to teach from poolside only.

Social distancing required 2 metres where possible or 1 metre plus. Adults required to wear masks. No parents to enter poolside unless absolutely necessary. Please drop off at side door and collect from exit near changing rooms.

Please use hand sanitiser on arrival and departure.

Children are to arrive 'beach ready' i.e. swimsuits under clothes etc, as changing room facilities only available after swim, limited to 4 at one time, and may not be available to older swimmers. No access to showers.

Swimmers to go directly to their swim station and leave outerwear, towel to the side near that spot, at the end of lesson to go directly to exit via double door/changing room for quick towel down.

Please bring your own equipment - instructors **cannot** supply spares as not possible to sanitise equipment between classes.

One-way systems will be in place for all, enter by side door and exit via end double doors near changing rooms so please adhere to directions from signage and committee members / instructors.

Balcony viewing area is closed at present.

Electronic booking form required in advance for **every** swimmer, due to Test & Trace (can use one form for multiple siblings).
